

A top-down view of various Valentine's Day-themed items scattered on a white surface. There are several red roses in different stages of bloom, some with green leaves. Numerous red hearts of various sizes and textures are scattered around, including some that look like fabric or paper cutouts. Two gift tags are visible: one is silver with a red heart and a gold string, and the other is red with a white string. The overall composition is festive and romantic.

Febrero On Fire!
