

Algebra

Handwritten mathematical notes on a piece of paper. A large infinity symbol (∞) is faintly visible in the background. The notes include:

$$z > -z \quad + \quad -$$
$$\pi \approx 3.14 \quad \times \quad \frac{a}{b}$$
$$\sqrt{2} \quad (1+2) \quad (1-2) + 3$$
$$101_2 = 5_{10}$$
